KIM

Lost souls with ghoulish faces and deformed bodies drinking strange-coloured potions – every night is Hallowe'en at Raymond Towers' local Wetherspools. Kim gave us a bit of a fright too when we met her. "I don't like cock!" the broomstick-wielding beaut told us. But then why... "I just fucking LOVE it!"

Five a day

The wife came home with a load of cheap strawberries that I turned into a sexy game.

I crushed two handfuls of berries and started to rub them in her tits. She told me to cut it out – I'd ruin her clothes. So I gave her 30 seconds to get naked.

I fed her a strawberry, teasing her lips, then we shared one, biting it in half and snogging. But I'd already grabbed and squashed another couple of handfuls, working more into her tits and down her belly.

She looked so sexy, her slim, pale body running with sweet pink juices.

cow would wear down at least one of us in the end!

She took about half of it in – no mean feat – and started rubbing his shaft and bollocks between her hands. I decided a wank wouldn't hurt.

She saw me unzip and gave me a "You're next, mate!" look. And that's when I stopped fighting it, too.

Rhys was getting pretty close to the vinegar strokes, now and Thom was fucking her mouth. One time she opened wider to let him slide almost all the way out, his helmet-tip resting on her tongue. It looked like one

more suck might finish him off – I pretty much felt it for myself as she sucked him back in with a gulp, and the next time she opened her mouth it was brim-full of jizz.

I stepped up but she shook her head, swallowed hard, then said, "You're after him," jerking her head back at Rhys. I saw him hit the brink and claw at her hips, so he could spunk in deep. But it still seemed like hours before he finally pulled out.

As I assumed the position, I saw her well-shagged hole all running with spunk, her tight arse winking at me above it. As I hammered into her snatch my mate's seed spurted out everywhere. Then I shoved her arse cheeks together for an even tighter fuck.

I was mashing into her, pubes teasing her arsehole, and soon she was moaning so hard and loud she couldn't speak. My body went taut, my balls stopped swinging and lifted right up, then my

spunk just geysered out into Wendy's snatch. I lay there feeling her up until the lads told me to move my arse – they were wanking and wanted a clear shot at her.

She just lay there, moaning,

playing with their spunk as Thom splashed her tits and Rhys gave her a facial. Then, after a couple of minutes of eating her snatch, I realised I had another boner...

Dear Julia

First of all can I say congratulations on the best magazine in the world – *Escort*! The quality of women never ceases to amaze me. Every month you surpass yourself! I had to write in about Samantha in vol 31 no 9. Wow! She is incredible – those long elegant legs, succulent shaven pussy, those perfect, perfect breasts! All topped off with the most beautiful smile. She is my idea of perfection.
Michael, Carlisle.

Julia says: No-one's ever called me their idea of perfection, although the ed sometimes calls me perfectly dispensable.

In vol 31 no 10 Kat was absolutely incredible.

Now when I reached page forty-seven/ I thought I'd entered wankers' heaven/ You look so lovely, young and slim/ Showing off your gorgeous quim,/ All exposed and free of hair,/ A wanky little twat laid bare./ Your pictures are the stuff of dreams,/ Which caused my spunk to squirt in streams./ If I to the Highlands come,/ I'll stick my penis up your bum./ Please don't think my poem silly,/ You've given pleasure to my willy...

STELLA

STELLA

Stella's not the kind of girl to waste her time on anything other than sex! "If I'm not having it, I'm thinking about it," smirks the slutty Somerset student. "Blowing blokes, shagging strangers and sticking my fingers up me 24 hours a day – that's my routine. Tonight I fancy sex with a couple. I'll suck the bloke's rigid prick while his missus laps at my labia then give her a good fucking with a strap-on at one end and a cock at the other!"

REAL WIFE SEX

Natasha.
Milton Keynes

Bored at work? Natasha finds an illicit affair with her colleague helps the afternoons go quicker!

Now I've started shagging Ian, one of my colleagues, I've had to start bunking off for the first time since school.

We're both married so we nip off for some afternoon delight every couple of weeks. I tell myself it's doing the firm a favour. If I go too long without his cock it's all I can think about, so I get no work done. But a seeing-to gives me a big boost.

Even if we've only got a few hours, it's too good to rush. We usually fuck at my place – less chance of my other half coming home than his. We strip off and then he lays me down on the bed, licking me all over like we've got all the time in the world.

He kisses my mouth, then down my neck before tonguing around my nipples. Then he sucks them into his mouth and flicks them, till I can feel it pumping through my clit.

When he's ready to move down, he uses his fingers on my tits, pinching and rolling, then I'll do it myself, free his hands up. He licks my cunt all over, everywhere except my clit and in my hole, so I'm crying out for it.

My juices spread all over his chops

I've been trimming my bush since all this kicked off, not that my husband's noticed. But I like the feel of Ian tracing his moist tongue tip along the lines between the cropped hair and the smooth, naked flesh.

It's only been a few months but he knows what I need, sometimes better than I do. I'll be begging him to go down, give me a decent sucking, but he lets the tension build until I'm literally shaking. That's when he pulls me open and rams his tongue right in, smacking his lips and slurping away, juices spread all over his chops.

He likes it when I play with my tits, squeezing them so the nipples stick out hard between my fingers. Sometimes he feels the urge to suck on them again, wetting them with my cream. Then it's back down for more cunt licking, before it's my turn.

He likes to go on top. I'm a bit older but more senior – he doesn't answer directly to me, but he likes the idea of having Mrs Big Shot Manager at his mercy, begging for his cock. But I can

play his games, too.

He'll be squatting over my body, hard prick bobbing within my reach, but I leave it as long as I can before I touch it. I love watching his face when I finally put out a hand. Even though it's just my fingertips along his shaft, he bites his lip. Then I slide his foreskin back.

He's got a beautiful big cock. It doesn't lengthen much when it's hard, but it swells right up, especially the helmet. I expose it all, dark red and suckable, moist at the tip – then dribbling more as I give it a teasing lick.

His pre-cum's the next thing that gets smeared on my nipples, only this time it's me who sucks them. Watching me gets him horny enough.

I do it slowly, so he can play with the other boob, rubbing his helmet up against my nipple, teasing it with

He loses his cock in my tits

the stiff centre and goosebumpy ring around them, especially his love eye and the little seam of flesh where his helmet meets his shaft.

This is when his hand goes back and touches my cunt, stroking the outer lips then working its way in between them. More juices – all over my tits this time, so they're sticky yet slippery enough for a fuck. Time to shove them hard together so he can bury his cock – they're big enough he can lose it between them.

Once he starts fucking, I like to mould them, so the end of his prick pops out between them. Too low to suck and lick, but I know I'll get another taste of it soon.

We're still not going to rush things – he pulls out well before he's anywhere close

Snatch me if you can

Ten years I've been fucking, and so many people, male and female, have told me I've got the wettest pussy they've come across!

on his cock, jamming it in between my arse cheeks, so he could rub up and feel my river of juices soak his crotch and balls. He'd be so hard and horny by the time he got inside me, he wouldn't last that long.

So I'd vibe myself to another quick cum while he

clit and I could feel the juices well up then drip and splash all over her boobs. I got an appreciative moan but no surprise as normally happens.

I soon found out why. As she was on her back, most of her juices were running down her arse-crack, but there were plenty of them, about the same as mine.

I'm good at sucking pussy – another thing I've been told – and the wetter it is, the better.

I just shut my eyes and lap it up, letting all the folds and flesh slide in between my wet lips. If a girl's at all orgasmic, you'll make her cum in the end, guaranteed.

Emma did cum and, when it happened, she actually squirted a little jet of creamy juices into my mouth. As we cuddled up in bed, titting each other up and talking dirty, I mentioned it and asked had I squirted. She said no,

She squirted cum juice up my cunt like she was a man

Most of them like to believe it's down to them turning me on – I let them think that, but I know it's just how I am!

One bloke would lie back and let me kneel up straddling his head, so he could use a finger or vibrator on me. He loved to watch the juices soaking my inner thighs.

Then he had me just sit

watched the spunk and juices soak out of me

I finally met my match and found out just how sexy a really wet cunt can be when I got off with Emma. We didn't mess about, we just got back to mine and got naked, me crouching over her in a sixty-nine.

She was sucking on my

and I felt a bit let down. Then she told me she hadn't used to – she'd trained herself.

She'd been in bed having a frig, and trying to find her G spot. She'd read in some magazine that cumming from this could be mind-blowing. It had hit her hard and sudden, so much so she'd seen stars.

She'd felt some kind of spurt, but couldn't be sure, but later on she'd wanked herself with a mirror between her legs, and had seen that she could actually squirt.

She warned me this wasn't some magic trick that worked on everyone, but that it might on me because my cunt was so naturally juicy. She went down on me again, with me

on my back, and as she mouthed my clit she crooked a finger and found my G-spot – my screams and moans told her she feeling was in the right place!

I've never cum so hard in my life. It hit me and wouldn't stop. I felt my pussy jerk tight a couple of times, then Emma's face appeared – I'd cum all over her cheek. But she kept on frigging me, then wet her hands in my juices and rubbed them on her stiffening boobs.

We've got together once since, and it was even more incredible. We were rubbing up snatch to snatch, and Emma seemed like she was cumming up mine, like a bloke spunking. I hope we'll meet up again soon!

Gemma, Norfolk.

My 45-year-old wife became very sexual after the birth of our children. She knew what she wanted now and how to be pleased.

We began to write to contact magazines and we had a

pounding when he knocked on the door. "Hello, are you Debs?" His deep sexy voice raised my heartbeat even more. I invited him in, this big strong black man and soon I was in his arms, his tongue huge in my mouth.

His hard cock pressed against me and my stomach

between my legs, rubbed my clit and came loudly, squirming against his thrusting cock.

He heard my joy and I felt his body stiffen and he came hard and long.

"God, you needed that didn't you, Lee?" I said. "Come upstairs – when you're ready we can start again."

He fucked me like an animal over and over and fell asleep around two a.m. I had just enough time to ring my husband and tell him what Lee had been doing to me.

In the morning Lee just wanted sex so he fucked me for the rest of the day until my

husband was due back.

I drove Lee to the train station. I dropped him off at one platform and greeted my husband on the other.

My pussy and arse were so full of cum that when my husband squeezed me I could feel it seep out of me. To any onlooker I just looked like a normal middle class wife picking up her husband.

"And what's my little girl been up to?" he asked. I felt a hot flush come over my face.

One day, Lee told us he was getting released and he wanted to visit us. I sat my wife down. "Lee's been in prison for five years. You do know what he'll do with you?"

She nodded and arranged for him to come over, on a weekend I was away. I'll let my wife take over now.

Debs writes: My heart was

churned in anticipation. My pussy began to spasm and juices started to flow.

"I need you now," he grunted and pulled my dress up and pushed me over the sofa arm. He was almost out of control – his breath was hard, he was covered in sweat. My face was buried in the cushions as he pushed his enormous black cock up me, one savage thrust all the way up.

**Karen's orgy
in the woods
is thanks to
horny readers
who saw her
in vol 31 no 9**

Dear Escort,
Hi, I'm Karen and since I appeared in *Escort* vol 31 no 9 I have been inundated with letters of contact.

I spent a whole day trying to choose from the pile of letters I had because the pictures and the letters were so horny.

I eventually plumped for two randy guys called Tony and Mike. I contacted them both and arranged to meet at a forest park.

I took my boyfriend along and we waited for the guys to arrive. I was so horny that when my Gary put his hand on my leg I thought I was going to fuck him right there and then but suddenly Tony and Mike turned up.

Tony had brought his girlfriend Diane. We exchanged kisses and walked through the forest until we found a clearing where there was a pile of logs.

Tony grabbed me, spun me around and stuck his tongue deep into my mouth, taking me by surprise. Mike had come behind me and

'MY LOG GRABBING!'

£100

had pulled my top down to expose my tits.

Meanwhile, Diane was on her knees and was sucking my boyfriend for all she was worth. He had a firm grip on her head and was fucking her face like mad – something I don't allow him to do to me.

Mike pulled my jeans down to my ankles, then started to massage my arse cheeks, then Tony got down on his knees in front of me and started to sniff at my knickers saying it was the sweetest cunt he had ever smelled.

This made me even wetter – he pulled my knickers down and made me spread my legs as far as possible. Then he buried his face in my cunt and started lapping away with his tongue.

In the meantime Mike

all fours in front of Diane and started to lick at her cunt.

Suddenly I felt a cock pushing at my entrance to my arse and then felt my cunt tunnel being filled with hot meat.

When I looked up I saw that my boyfriend was squatting over Diane's face with his arse pointed towards me.

Diane took Gary's cock deep into her mouth again and after a short while I felt Diane's body stiffen and she squirted her juices over my face which I hungrily lapped up.

On seeing this, Tony and Mike fucked my holes harder and faster until they filled my arse and cunt with their hot jizz.

Gary then lost it and blew his load into Diane's mouth. The guys pulled out

had got on his knees.

He spread my arse cheeks and was now tonguing my butt hole which made me cry out with excitement.

When I looked around my boyfriend had Diane in a 69 position and was slurping away at her cunt while she had his large hard cock in her mouth.

The sudden urge to lick her cunt bubbled up inside me. I asked Tony and Mike if I could go to Diane which took them by surprise but they let me go and I got on

and left Diane to clean me up with her tongue.

We all got dressed and said our goodbyes but I had lost my knickers and had to go all the way back home without, my cunt and arse hot, fucked and spunky.

I later got a email from Tony with a pic of him posing with my knickers.

I would love to meet more guys and girls to have fun with, so if you're interested please get in contact with me.

Karen, Norfolk

REAL WIFE SEX

Natasha's story continued from page 19

to cumming. I can cum as often as I like, though, so while he calms down – well, just a bit – I jam three fingers up myself and rub my clit with my free hand. Ian loves to watch me cum, loves how my snatch feels when it's all excited from an orgasm.

So now he touches it to my snatch, breathing in deep, trying not to let the little twinges I feel post-cum set him off too. And I moan so loud as he pushes in.

My other half's not a bad fuck, it just stopped being exciting after a few years. Shagging Ian reminded me how good it can be. The first time we fucked, I told him to push his cock in slowly, so I could concentrate, remembering every detail. I'm not saying we never have a quickie, but most times, he'll fuck me slow, so I can relish it.

For the first minute or so, he's buried in deep so he can feel my cunt around his shaft, how it stretches and tightens, how the muscles spasm as he kisses me or sucks my tits again.

It's time to kick things up a notch

now – I hump myself against him and he starts thrusting, hard and fast. I play with my tits, giving him a show as he fucks me, wanking my nipples while my pussy clenches tight around his tool. He knows I love to be pounded deep like he does, so he lifts my legs right up to add more power to his thrusts.

He starts to finger my clit too.

I love to be pounded deep

Normally this would get me off fast but he can string it out, teasing and tormenting me until it's like every nerve is screaming.

I'm lying there like a rag doll, Ian looking down at me, fucking me gently at first. Then he speeds up – this is for him now. I don't touch my tits, I know he wants to see them bounce about as his prick gives my cunt a hammering.

I'm sensitive, it's still a bit too much

but I brace myself. The only unknown is where he'll cum. I like it inside me of course, but this time he's in the mood to cum on me.

He pulls out a fraction too late so I get the first jet at the top of my slit.

The first jet hits the top of my slit

It melts down over my clit, but he's already working up, trailing more spunk over my belly and to my tits. By the time he reaches my face he's having to use his hand, to wank and wring out the last few drops. He groans as I suck on his helmet, taking the last of it.

We've usually got time for one more shag, usually more frantic, before one or both of us leaves to return to work. Less suspicious if we're back in by the end of the day.

I don't know how long it'll be before things go tits up, or it all fizzles out. But until it does, I'm planning to enjoy literally every fucking second of it! ☺

Decisions, decisions... sometimes a fella just wants to be TOLD what to do. "Putting your cock between my delicious hot boobs while I lick your bum till you cream over my belly – would you like to come off that way?" purrs this chubby-chested charmer. "Or maybe buried deep between my thighs, sucking away at my nipples. Or sliding my hot tight arse down your rigid pole while I frig my clit?" Can't we do them all?

Trick or treat

Last year I took my nieces and nephews trick or treating.

My costume was very low-cut and also showed off my stockings legs.

At one house a very dishy bloke gave the kids some sweets and as we turned away, grabbed my hand and told me to come back later for my treat.

An hour later I was knocking at his door, feeling very horny indeed. I had "somehow" lost my knickers and juices were flowing down my legs in anticipation of what my treat might be.

When my new friend Bob who was 24, I later found

pumped three then four fingers into me while my cunt cream ran down his arm.

I asked him to fist me properly and after a bit of manoeuvring he buried his whole hand in me.

Then I told him to finger my arse as I was on the verge of cumming and sure enough soon I was screaming and writhing, impaled on his hands, my juices spurting everywhere.

When I calmed down we went to the

A dong in my arse, a cock in my pussy

out, opened the door all I could see was a huge hard-on. My jaw dropped at the sight of it and I took it in my hand and led him inside.

Bob put his hand up my skirt and slid his fingers up my sopping wet pussy.

He knelt down and

bedroom for me to give him his treat.

I had brought a strap-on dildo with me – I wasn't sure how he would react but to my pleasure Bob said he had always wanted to try one but didn't like to ask in case people thought it was strange.

The game divorcée

After my divorce, I got a mate to fix me up for some fun.

Ivan took me back to his –

a tiny single room in a grotty houseshare. It sounds really naff, but the mess, and just the smell of bloke everywhere, got my juices flowing!

He laid back on the bed and said he "wanted to see me". I must have looked confused, cos he explained, "Kit off."

I took my dress off and posed in my undies. "All of it," he said, staring intently at my tits.

"You now," I said. "See if you're worth shagging."

He sat down on the bed, legs splayed, and I knelt between them. I love to suck cock – to taste it and see the effect it has on the bloke. I gobbled his helmet, feeling it seep precum against the roof of my mouth as I

wanked his shaft. But I wanted fucking, not a throatful of jizz, so I soon had him in between my thighs.

He thrust in slow so I could feel him open me up, then started to fuck me. He'd hammer in for a few strokes, then slow right down, moving his prick in circles or from side to side.

It felt so good, and I grabbed his hand, bringing his fingers to my clit for a rub. This brought me off so fast he asked me was I faking, but the grin all over my face proved I

wasn't.

"Look at the state of your cunt," he breathed and reared up so I could look down and see his prick ploughing in

and out of my foam-drenched fanny. "You'll be sucking me clean later," he said.

I said I couldn't wait, so he pulled out and moved up

I put it on and greased it up with plenty of lube then lubed his arse with my fingers.

Bob knelt down on all fours and I eased my "cock" into him slowly until it went all the way. After a few minutes fucking he shot his load all over the duvet.

I brought his cock back to life with my tongue and told him I wanted to be double-fucked.

I showed him how, strapping on the dildo underneath his own cock.

Then I got on all fours. The rubber dong slid effortlessly up my wet pussy and Bob fucked my arse.

It didn't take long for both of us to cum again, hard.

I told hubby all about my treat and this gave him a massive hard-on so I got another shag. Because he wanted to be where Bob had been he used both my holes!

As you can see, I can't wait for this year's Hallowe'en – perhaps I'll call on Bob again!

the bed. I licked my lips like I was going to get a big mouthful, but then I just rubbed the soaking length of it all over my face.

He called me a dirty bitch, and once his prick found its target he just banged me all out. I grabbed onto the headboard, tits swinging

and slapping together as I locked my arms, bracing my arse against his thrusts. Then he unleashed a massive load deep inside me.

He was impressed and even gave me his number, but I haven't rung him. Not yet anyway!

Juliette, Lincs.

Summer bummin'

£60

This summer I was walking down the street in a skimpy singlet and shorts.

I got plenty of blokes beeping their horns and yelling out of their cars at me. Then this silver jeep pulled up. The guy driving it was pretty horny, and cocky with it. He didn't say a word, just opened the passenger door and I got in.

Reckless, maybe, but all the sun and my tight shorts rubbing up against my slit had got me hot. And, one short drive later, we were back at mine.

We had a snog, and his hands were almost instantly all over my arse, pulling the stringy denim crotch of my shorts even tighter into my crack.

Soon I was on all fours, his thumb working on my clit. I heard him wank himself, so I braced myself to savour the feel of him sliding up my cunt.

again and touched it to my arsehole, wondering if I could even take it.

I felt my arse tighten as he nudged against it, and clenched myself tight. Then, as he pushed again I relaxed it, and felt every inch of him slip smoothly inside me.

He groaned as his balls grazed up against my cunt

I squealed as he fingered my arse

But when he pulled his fingers out, he started playing them over my arsehole, soaking it with my cream.

I squealed as he pushed one inside and pumped it gently, then slipped in a second one. "Like it up there?" he whispered. "Yes," I said nervously.

He asked if he could wet his cock inside my pussy. It felt so good and big, stretching my walls. In fact, I almost panicked when he pulled out

lips, then started fucking me, slow at first, but speeding up till I was taking him hard and fast.

As I squeezed him tight he buried himself in me again, then reached round to my clit until I came.

Then, as my muscles massaged his cock, he thrust in and out a couple more times, before his cum gushed out in my arse. I never even found out his name!

Toni, Lancs.
